Dear Sir:-

I note your name listed among the experts of the Collectors Information Service covering the stamps of Sweden.

Will you favor me with the names of the churches shown on the following stamps of that country if the information is readily available. Skyline of Stockholm

Dear Sir:

Your letter to Robert Robertson at hand. He passed away on January 22nd. We here are unable to answer your question concerning the names of churches on certain Swedish stamps. As this Society is not conversant with stamps, we do not know who to tell you so that you can get this information.

Very truly yours,

Curator
